

Key Instant Recall Facts

EYFS—Summer 1

By the end of this half term, children should be able to complete the following; the aim is for them to be able to read and write numerals to ten competently.

I can read and write numbers to 10 in numerals.

Read and write the following numbers as numerals:

1, 2, 3, 4, 5, 6, 7, 8, 9, 10

Key Vocabulary

number

numeral

six

seven

eight

nine

ten

Top tips

The secret to success is practicing **little** and **often**. You do not need to practice all of the KIRF all at once. Perhaps you could have a numeral of the day. If you would like more ideas, please speak to your child's class teacher.

Practical ideas and resources:

- Write numerals in sand, shaving foam, flour
- Create numerals using the outdoors, Lego blocks or resources around your home
- How many numerals can you spot on your way to school? Car number plates, house numbers, road signs
- Can you spot numerals in your stories, in games?
