Week 3 Summer Term

NEWSLETTER

Dear Families,

We hope you enjoyed the last bank holiday and are looking forward to the Coronation weekend. The children had a great time 'celebrating' the Coronation in school and they looked fabulous dressed in red, white and blue. We hope that you like the mugs they have brought home, which the Parish council kindly donated. Please remember school is closed on Monday 8th May.

If you are planning to visit Princess Pavilions on Saturday, look out for our choir who will be singing at the Coronation concert. Good luck to them. They are sounding amazing. Thank you to Mrs George who has been working hard with the choir.

We are very proud of all our children's achievements here at Constantine Primary.

Physics Champions

A huge well done to Edith, Max, Milo and Cecily who represented Constantine at the first inter Trust Physics Olympics, which was held at Falmouth Primary Academy. They took part in 4 different challenges and a quiz and they won!!

They came back with an impressive trophy .

This is a huge achievement as they were competing against 6 other schools. A huge thank you to Mr Ireland who accompanied the group and Mr Barnard who organised the event. We are very proud of them.

Well done Edward

At the weekend Edward represented his pony club in his first triathlon. This included running, shooting and cross country riding on his pony Valley. He not only came first in his section, his team also came first. Edward was awarded best run and best shoot for his section. He followed this up on Monday by competing at the Helston Flora horse show where he won his working hunter class and took working hunter champion.

This is a fantastic achievement Edward, well done.

We have had a busy couple of weeks where we have had visits from our Deputy CEO and one of the Trust's school improvement team. They were very complimentary about the changes we have been making to our curriculum in school, particularly our new approach to guided reading. The Constantine team have worked incredibly hard and we are very pleased that this has been recognised by our Trust.

Cricket in Cober!
