

Hello Families,

Another couple of busy weeks here at Constantine Primary. Thank you to those parents who attended the last of our open afternoons. It was great to see many of you in school. The children really enjoying sharing their learning and the school with you as they are really proud of their achievements. We encourage the children to be the best they can be and support them in wanting to achieve their personal best in their learning.

The 5 and 6s have returned from a fantastic few days at camp and they all tried something new. Fun was had by everyone.

Thank you for your continued support it is very much appreciated.

Ms Smith and Mrs Gilbert

Quad kids Quad kids 2023 for years five and six - At Carn Brea track and all children participated in the 600m run, 75m sprint, howler throw and standing long jump. We had lots of success, with several first, second and third places.

Outside developments

We are very excited as we are looking to improve our outdoor area and we would welcome your support. If you have any dressing up clothes you no longer need we would love to have them. We are also looking for pallets, a sink, saucepans and utensils for what we hope will be a mud kitchen which children can use at play-times and lunchtimes. If anyone has an old large bicycle wheel we would love to have that as well. Watch this space for more news as we would also welcome some support with making our mud kitchen and other play based equipment. If you think you can help please let Ms Smith or the office know.

Cheerleading Success

Well done to Heidi and Evelyn who came 3rd at the Ice Southern Chill Cheer leading competition in Bristol.

We now have cheerleading happening at lunchtime!

Adventure childcare and family days out

Adventure childcare (with an Early Bird discount!) and family days out at Via Ferrata Cornwall this Holiday!

Are your children aged 6-13, up for fun outdoor adventures and ready to learn new skills and make friends? Check out our [Adventure Holiday Club!](#) We're running an Early Bird Discount (10% off) - simply enter the discount code EB10 when booking online.

This Holiday we're running **climbing, raft-building, archery, canoeing, zip-lining, adventure quarry games and coasteering in the quarry!** You can simply drop your children off and leave them with us for an epic adventure to remember! We offer flexible options to fit around your working day, so you can treat your child to half a day or a full day with us

Library and guided reading update

We have been in the process of moving our library to a new refurbished space. As part of this process we are re organising the books into age appropriate texts rather than using AR. Following feedback from the children , as a staff, we have decided to move away from using the AR system as it was not promoting a love of reading or reading for pleasure in the way in which we wanted as a school. The children will now be accompanied to the library with an adult to make a guided choice from a wider range of books. We are also applying for a grant to up date our non fiction selection. We have also invested in new books for the library. Each class now has a whole class guided reading text which links to the class topic and each child has their own copy of the book which they can read from in class. All the teachers have received training on how to further develop reading fluency with the children and we are seeing an impact of this in class. We will be able to use our new library from September.
