

Friday 10th March

Spring Term Week 10

We have had another busy week here at school and the children are really enjoying their new topics. We have changed our approach to guided reading across KS1 and KS2. Ask your child about their new whole class guided reading text. This change will support all our children in becoming confident, independent readers who have a real love of reading. Reading at home can make a real difference so please keep up with their daily reading.

Scroll down for exciting news about the Friends of Constantine's Easter Fair.

Thank you for your continued support Ms Smith and Mrs Gilbert

### World Book Day 2023

A huge well done to everyone that took part in the World Book Day potato competition! You were all so creative and put great effort into creating your potato character. They all look absolutely amazing and we have loved looking at them all displayed in the hall.

Congratulations to our winners from each class:

Fal - Romilly and Brannock

Cober - Elliot

Lerryn - Otis

Helford - Amelie

Kenwyn - Eli

Tamar - Elsie

There were no entries from Tresillian Class.

## SONGFEST 2023

Wow! What superstars the children in choir are. They had a great time performing at the pavilion as part of the Songfest concert.

The children's resilience was put to the test when they had to sing one of their songs multiple times so the technicians could make sure the music and mic levels were balanced.

In the evening we had the privilege of opening the show with 3 wonderful songs that the children have worked hard on learning this term. Recordings of these songs can be found on the school website <https://constantineprimaryschool.eschools.co.uk/web/music/589709>

We'd like to take this opportunity to thank all the children for their work, focus and determination and the parents for their continued support with the choir and events we attend.

## Fund Raising

The boys did it! They completed the Falmouth Five Miles to raise money for those affected by the earthquake in Syria and Turkey.

It was perfect weather for it, and the final route ended up being 5.1 miles. A massive thank you to all those who donated - The boys have raised £300 so far which is 50% of their target! They have done so well.

Would you believe Theo was still running off ahead with a huge smile on his face even right at the very end, and Daniel had such determination to keep going even though he sometimes didn't feel like it! We're really proud of how much they achieved. if anyone is still interested in donating to Shelterbox the link is: <https://www.justgiving.com/page/falmouthfive>

All the money raised is going directly to Shelter Box who are already on the ground bringing emergency support to people in the earthquake zone: <https://shelterbox.org>

Well done boys, we are so incredibly proud of you!
