

Welcome back everyone and we hope you had a lovely break over Easter and managed to enjoy some of the sunshine.

It has been lovely to see the children back at school and they all have been enthusiastic about their learning and have settled back in the school routines well.

There is a lot of exciting learning planned for this half term and we have lots of additional sporting activities taking place too.

Fingers crossed the sun keeps shining. Ms Smith & Mrs Gilbert.

Kids Club

Reminder

A polite reminder that you must book your children into kids club in advance. This helps us ensure we have the correct staff ratios to help keep your children safe.

School Garden Our volunteers continue to give their time making our school garden look so amazing. We have fruit, pumpkins and wild flowers—all very exciting!

Our garden is blooming and our reception children are going to be making some seed bombs which they will plant in the garden as part of a national scheme to plant wildflowers for the King's Coronation. This is a lovely idea, and they will be recycling damaged books to make them. We will share the instructions on how to do this as it maybe something you would like to do with your own families. We are also going to be using the shredded paper from our shredder in school to make some more.

Parking

We have received a few complaints from local residents about the parking in the mornings and at the end of the day.

We appreciate that many of our families have to drive to school and that there is limited parking close to the school.

When parking could you please ensure that you are not blocking driveways or parking on bends—Thank you :)
