

Hello Families,

It is hard to believe we are nearly at the end of the spring term, time has definitely flown.

Our Year 3 and Year 4 children have had a fantastic time at camp in St Ives this week, despite the rain and we know that our Year 5 and Year 6 children are looking forward to theirs.

Next Wednesday, 29th March, there are lots of Easter fun activities after school which have been organised by our FOCS. Please come along and support this event. It will also be an opportunity to see the spring bulbs blooming in our garden.

Thank you for your continued support Ms Smith and Mrs Gilbert

### Hockey Team 2023

Our hockey team have been playing well this season and we are really proud of them.

This week they played against Mawnan Smith and won 2—0.

Well done team.

## Cheerleading success at first out of county competition!

Well done Zephyr, Evelyn and Heidi. These children represented their cheerleading club (Dance Embrace Fitness) and performed their routines with no mistakes helping their team WIN overall! What hard work, dedication and commitment. Well done.

'Kenwyn have been busy this week with their RE learning. They have learnt all about the Holy Week and the Last Supper, answering the question 'Why do Christians call the day Jesus died 'Good Friday?'

## School council update

The Kid's Council has recently been renamed and last week the School Council met for the first time. We talked about the role of the council within our school and the wider village community.

The children had lots of ideas for ways they felt they could make a positive difference within the school. We plan to meet once a month and next time will vote on one of these projects to move forward with. They will be speaking to their classes to see if they have any ideas of something that could improve our school,

### **Easter holiday activities for all ages thinking about the future Coronation**

The idea has been inspired by Constantine Arts Society who will be putting on a display of 2D and 3D crowns over the Coronation weekend in St Constantine Church, and also a story about King Charles visiting a local creek near Constantine just off the Helford River as a young boy, together with other members of the Royal family during the 1950s. The Royal Yacht Britannia was anchored in Falmouth Bay and the family came into the creek aboard the Royal Barge, they had a picnic, and did a bit of rowing about before heading back to Britannia! Can you guess where they were spotted?

There are three categories.

1. Write a short story. Title 'The Day the King Lost His Crown ' but the final line has to be: '.....and there it was, .....in Constantine!'
2. Draw (A4) or make a Crown. Materials should be either recycled or natural from woodland or hedgerows.
3. On a postcard with one side decorated beautifully fit for a King and the other side an answer to the following questions - What Constantine/Cornish gift could we give to a King? Why would you want the King to have this gift?

You are allowed one entry per category. That means you can, if you wish, hand in three pieces of work. Please put your name and age on your work.

There will be a small prize for the best in each category. The winning story will go into the 'Constant Times' and onto the village Coronation web page.

All work will be displayed alongside the 2D and 3D crowns in St Constantine Church over the Coronation weekend 6<sup>th</sup> - 8<sup>th</sup> May.

**Entries should be in with your teacher on the first day back after the Easter holidays.**

## Focus on PE

**We would like to celebrate all the children's efforts in PE over the last few weeks. We are committed to ensuring that the children are leading an active lifestyle with their weekly PE lessons.**

In Lerryn Class we have been working on maintaining control throughout focusing on our ball skills. We have been exploring the creative cog and have made up different ball sequences focusing on coordination and control.

Year 6 have enjoyed developing and practicing their rugby skills.
