

Dear Families,

What a busy week of learning we have had. The Year 3s had a fantastic motivator day where they dressed up as Stone Age people, they ended the day with a camp fire.

We would really appreciate it if you could take the time to complete our parent survey.

This will really help us to be the best we can be. <https://forms.office.com/e/zHdc0yVmb7>

On Saturday we are having our 'Do it Day', this is to develop our outside area. Details are on this newsletter, please come along if you can—there will be cake! We are excited about these plans and we know that the children will love using this new area when it is finished.

Thank you for your on going support it is much appreciated.

Reception—Fal class

Reception has settled well into the school routines and have loved learning both inside and outside. We are very proud of their positive attitude to learning .

Resilience **Green** Equality **Red** Respect

Year 6

Year 6 have been using multi link to prove and disprove if numbers are squares or cubes in maths. This builds on an excellent investigation into Prime numbers.

KS2 Multi skills

14 pupils from Years 5 and 6 attended this year's multi skills event where the children got to try out many different activities. It was great fun and one child from each school was awarded a medal for teamwork and resilience.

From Constantine, Logan was selected. Well done Logan and all the children who represented us.

A huge thank you for supporting our non uniform day in aid of Shelterbox. We raised £214. If you would still like to donate then please do so via Parent Pay or send in cash to the office. The children really enjoyed the talk from Sam Hewett, one of our parents, about the important work that Shelterbox do.

Attendance figures to date

Whole school:

Expectation:

96.1%

Please remember to ring the office to inform us when your child is absent. This needs to be done for each day they are absent.

Sporting News– Mawnan Fun Run

Herbie (year 2) and Josh (year 3) took part in the Mawnan Fun Run on Sunday.

They both ran unaccompanied and overall came in 13th (Josh) and right behind 14th (Herbie). When the results were in we found out they came they came in 2nd and 3rd boy 8 and under category– amazing!! They both had lots of fun and great to bump into each other and run together.

Y4—Kenwyn

Year 4 went on a learning walk in science, looking for living and non living things. We then learned the 7 characteristics of all living things and checked our original ideas.

Year 3—Helford

Helford have had the best week celebrating our inspirational learning about the Stone Age. Our Stone Age day consisted of: making bread, cooking on the campfire, trying homemade apple juice, designing and building Neolithic homes, designing and making jewellery and making natural pigment from turmeric, beetroot, mud, charcoal, berries and more! We had a real blast and so many learning opportunities arose from the day. A huge thank you to Helford parents for their kind donations - couldn't have done it without you all.

Netball League 2023

Our team have played really well this season, getting to know each other as a team and communicating on court to win the ball. We have lost against 2 schools and had cracking wins against Flushing, Mylor and against Ma-be on Wednesday with a 6-0 win.

Next week we play our final two matches against Kennal Vale and Penryn Primary.

Year 6—Tresillian

Our fabulous Y6s had a fantastic time at the Royal Cornwall Museum. They learnt how the Egyptians mummified the dead, along with lots of other exciting facts.

Cornwall Netball

Isla played against the top players in Cornwall with her team on Saturday at Sir Ben Ainslee Sports Centre in Truro. This event was to decide which pool and division each team would play in. It was very exciting and Isla played goal attack and she was amazing— well done Isla!

Our promises

We have moved from having 6 golden rules to 3 promises.

We have also streamlined our values from 8 to 3. These are

Respect, Equality and Resilience.

We are focusing on these in our collective worship.

OPEN EVENTS

19th October 11.00 am

8th November 1.45 pm

15th November 5.00 pm

Please ring our school office to
book a visit 01326 340554

School council

This week, the newly appointed school council held their first meeting. The children were all really enthusiastic and came with lots of ideas they would like to explore this year. These included traffic safety in the village, how to reduce plastic waste within our school and charity events. Keep an eye out for more details and if you have any ideas for our school and village community.

Cober class

In Cober class, the children have been exploring different lines that they can draw; vertical, horizontal, curved! We have thought about how our pencil grip may change in an art lesson and the effect that this has alongside using sketch pencils - we didn't know there were so many different types!

DO IT DAY!

HELP US REVAMP THE SCHOOL PLAYGROUND
SATURDAY 7TH OF OCTOBER 9-12
