Constantine Primary School

This year, 3 children requiring SEN Support came to us from other primary schools.

Transition between classes was supported with transition booklets, transition days in school and additional transition time with classteachers.

Our SENDCo supported the EYFS transition day and met with parents of children with identified needs to ensure smooth transfer of information. Our SENCo met with the Pre-school team to discuss strategies and support for children with identified needs.

Transition to secondary schools: pupils with SEND were invited to make additional visits to their allocated schools. Our SENDCo and Headteacher met with the SENCOs at the secondary schools (Falmouth School and Penryn College) to transfer information and files. There is now a system of regular SENCo meetings between locality schools to further improve the transition process for children with SEND.

Ongoing development:

We work hard to ensure that any areas of support for our learners that can be improved are identified and that strategies are put in place to make those improvements. We do this through our School Development Plan, which includes our SEN Development/Action Plan.

Our complaints procedure:

Anyone wishing to make a complaint with regard to SEN support and provision should contact a member of staff in the first instance and then follow guidelines as set out in our complaints procedures. This can be found on the Policies page of our website.

This year we receive 1 complaint with regard to SEN support and provision. This was managed by the headteacher with the matter successfully resolved.
