Spring term Week 13

Dear Constantine Families,

What a lovely week we have had. There has been lots to celebrate both in and outside of school. We continue to be impressed with the many talents are children have.

Thank you for your support with Comic Relief. It is important that our children realise how they can help others through their actions. If you hadn't had a chance to donate please go to your parent pay account. We are only asking for a £1 donation. It would be great to hit the £200 mark for this worthy cause.

This week we have also been raising awareness about neurodiversity. This relates to our school values : Respect and Equality. Our children enjoyed finding out about different types of neurodiversity and famous people who are neuro diverse, including one of their favourite authors, David Pilkey, who wrote Captain Underpants and Dog Man. We all realised why he named one of his characters ADHD , as David has ADHD himself.

Thank you for your continued support, it is very much appreciated.

Year 2—Lerryn

This week we have been using apostrophes in our writing and solving maths questions with our times table knowledge.

We have planted beans and cress seeds, and we will be looking at whether removing a basic need such as water or light will impact the growth. In Religion and World Views we are thinking about how Easter is celebrated, and we have been using tools and found items to press into playdough before we start our clay tiles in art.

Year 3—Helford

Helford have finished their Science unit by making hands to demonstrate the contracting and relaxing of muscles to create movement. We know that muscles usually work in pairs and have been learning and debating on the most important bones in the body.

Constantine Presents The Musicals

This spring, instead of participating in 'Songfest' our choir have been working on creating a concert at the Tolmen Centre. This will be on Thursday 22nd May and will be a showcase for the choir and other pupils from across the school with a theme of music from the musicals. If your child is not in the choir but sings or plays an instrument and would like to participate in the concert please contact Mrs George who will help them decide on an appropriate song for their instrument or voice. These do not have to be solo performances, some children have expressed an interest of performing in duets or small groups. Any musical talent is welcome.

More details about tickets and timings will be released in after Easter once we know who will be performing.

This should be a fantastic event to show case the talents of our children.
