Summer Term Week 10

Dear Constantine Families,

Thank you for your support at Sport Day. We have had so many compliments on how much families enjoyed the afternoon and on the behaviour of the children. It was a privilege to see how the whole school supported each other, particularly the older children supporting the younger children. A huge thank you to Mrs Gilbert and all the staff for making the event so enjoyable.

We have had a fantastic Aspiration day, and it has been lovely to see the children dressed up as their future careers. The world is going to be a better place with the future generation from Constantine. The children thoroughly enjoyed the talks from their visitors and I was particularly excited to have a jersey calf on the school site. A huge thank you to all the parents who volunteered, I didn't have to twist any arms this year! We had 2 vets, a farmer, a nutritionist and yoga teacher, data analyst, chartered surveyor, architect, anesthetist, graphic designer, mechanical engineer and climate change researcher and a cameraman from Spring watch. We have very talented parents!

Susie Templeton, our chair of Governors was in today and was talking to the children about attendance and how they felt about school and Henry, said 'I am really happy here, it feels like home'. I have to say I felt quite emotional when he said that. I am so proud of our children, they are amazing.

Thank you for your continued support and have a lovely weekend. Ms Smith

## Cricket 2025

Our school cricket team have been playing all term and the practise they had playing in the primary schools league set them in good stead for the Cornwall Schools cricket

Festival in June. They played four other school teams during the afternoon and won all 4 matches! The scores were:

Constantine 67 Flushing 42

Constantine 103 Mylor 41

Constantine 87 Mawnan A 51

Constantine 102 Mawnan B 81

Well done to our amazing team.

## Maths Olympiad at Nexus

We are so proud of our gifted Y5 mathematicians: Jack D, Milo, Beanie and Daisy for representing our school so admirably at this week's Maths Olympiad at Camborne Nexus. Fifteen schools attended the completion and they showed remarkable focus, skill and determination in the face of some very challenging mathematics.

## Cober class—Year 1

Year 1 have been working on their skills of trust, resilience and communication in PE. This was great fun and we had to concentrate!

## Year 3 Swimming

Wow what an amazing 4 weeks swimming we have had with all children achieving skills or distance badges

## Singing workshop

On Tuesday 8<sup>th</sup> July 3:15 - 4:15, there will be a singing workshop with Angela Renshaw, the vocal coach from Cornwall Music hub and Cornwall youth choir leader. This is a chance to come and sing together and learn some new and improved techniques for singing, as well as learning some new vocal warm ups and simple 'rounds' that the children can help lead in singing assemblies. There will be 30 spaces in the workshop which is open to any children who have previously attended choir or any children from year 2 up are wanting to join the choir in the Autumn term.

If your child would like to attend, please Dojo Mrs George, places will be allocated on a first come first serve basis.

## Sports Day 2025

Blue Team lift the trophy again. Well done to all our athletes for all their efforts and also to our FOCs who provided the most amazing refreshments and a superb

raf-

fle.

### Helford class—Year 3

Last week Helford class had a wonderful visit to Pencoose Farm as part of the Kingfisher Award project. We had a very enjoyable and informative tour of the farm on a tractor and then took part in workshops on soil and oak trees. We are now busy preparing a presentation for the judges on what we learnt and the children have voted to focus on the dual use of fields for solar panels and sheep. We're very excited to get started on it this week.

We've also seen most of our butterflies emerge earlier this week, which has been a magical experience for the children. We're planning on releasing most of the butterflies this Friday.

### Sea Shanty Festival
