

Friday 1 May 2026

It has been a real pleasure to see the school making the most of the recent sunshine this week. The children have spent a great deal of time learning outdoors, and it has been wonderful to see lessons brought to life in the fresh air. Across the school, children have been taking part in art, reading, maths, science and PE lessons outside, making the most of the brighter weather and enjoying a change of learning environment.

In preparation for Sports Day, markings have now been put out on the field. It has been lovely to see how enthusiastically the children have been using these during playtimes and lunchtimes, and particularly pleasing to see how cooperatively and imaginatively they have been playing together.

Clubs have also started again this week, and it has been fantastic to see so many children taking advantage of the wide range of opportunities on offer. These experiences are such an important part of school life, and it is always encouraging to see such strong participation. If any parents or carers have a particular skill or talent they would be willing to share with our children through a club, please do get in touch — we would love to hear from you.

Finally, a special mention must go to our Year 5 pupils, who this week completed workshops and performed alongside a visiting choir from Czechia. Their performance was truly spectacular and they were an absolute credit to the school. We are very proud of them.

Thank you, as always, for your continued support.

Dear Parents,

On Thursday 21st May, [Children's Sailing Trust](#) (the charity who run the children's sailing programme) are holding a community engagement event at the Ferry Boat Inn, Helford Passage. It's an informal drop in event to help build greater local support and funding for the Charitable Sailing Programme. As a parent from one of the schools that Children's Sailing Trust support, the charity would like to invite you to pop along anytime between 2.30pm-6pm. Staff from the charity will be on hand to talk to, to discuss the 2026/27 sailing programme, and there will also be an opportunity to go out on one of their boats to watch the sailing programme in action as they will have two schools learning to sail with them that afternoon. If you have any questions about the event, please contact anna@childrenssailingtrust.org.uk

Its almost Cricket season!!!

Here at Constantine we play awesome cricket and it is one of our most successful sports with so many children enjoying the game for fun in school and also competitively.

Its great so many children (45 so Graham tells us-that's brilliant!) from CPS are accessing the football on a Saturday and we hope as many, if not more, take up the cricket opportunities that are on offer too.
